**After these things I saw four angels standing at the four corners of the earth, holding the four winds of the earth...**

**Revelation 7:1**

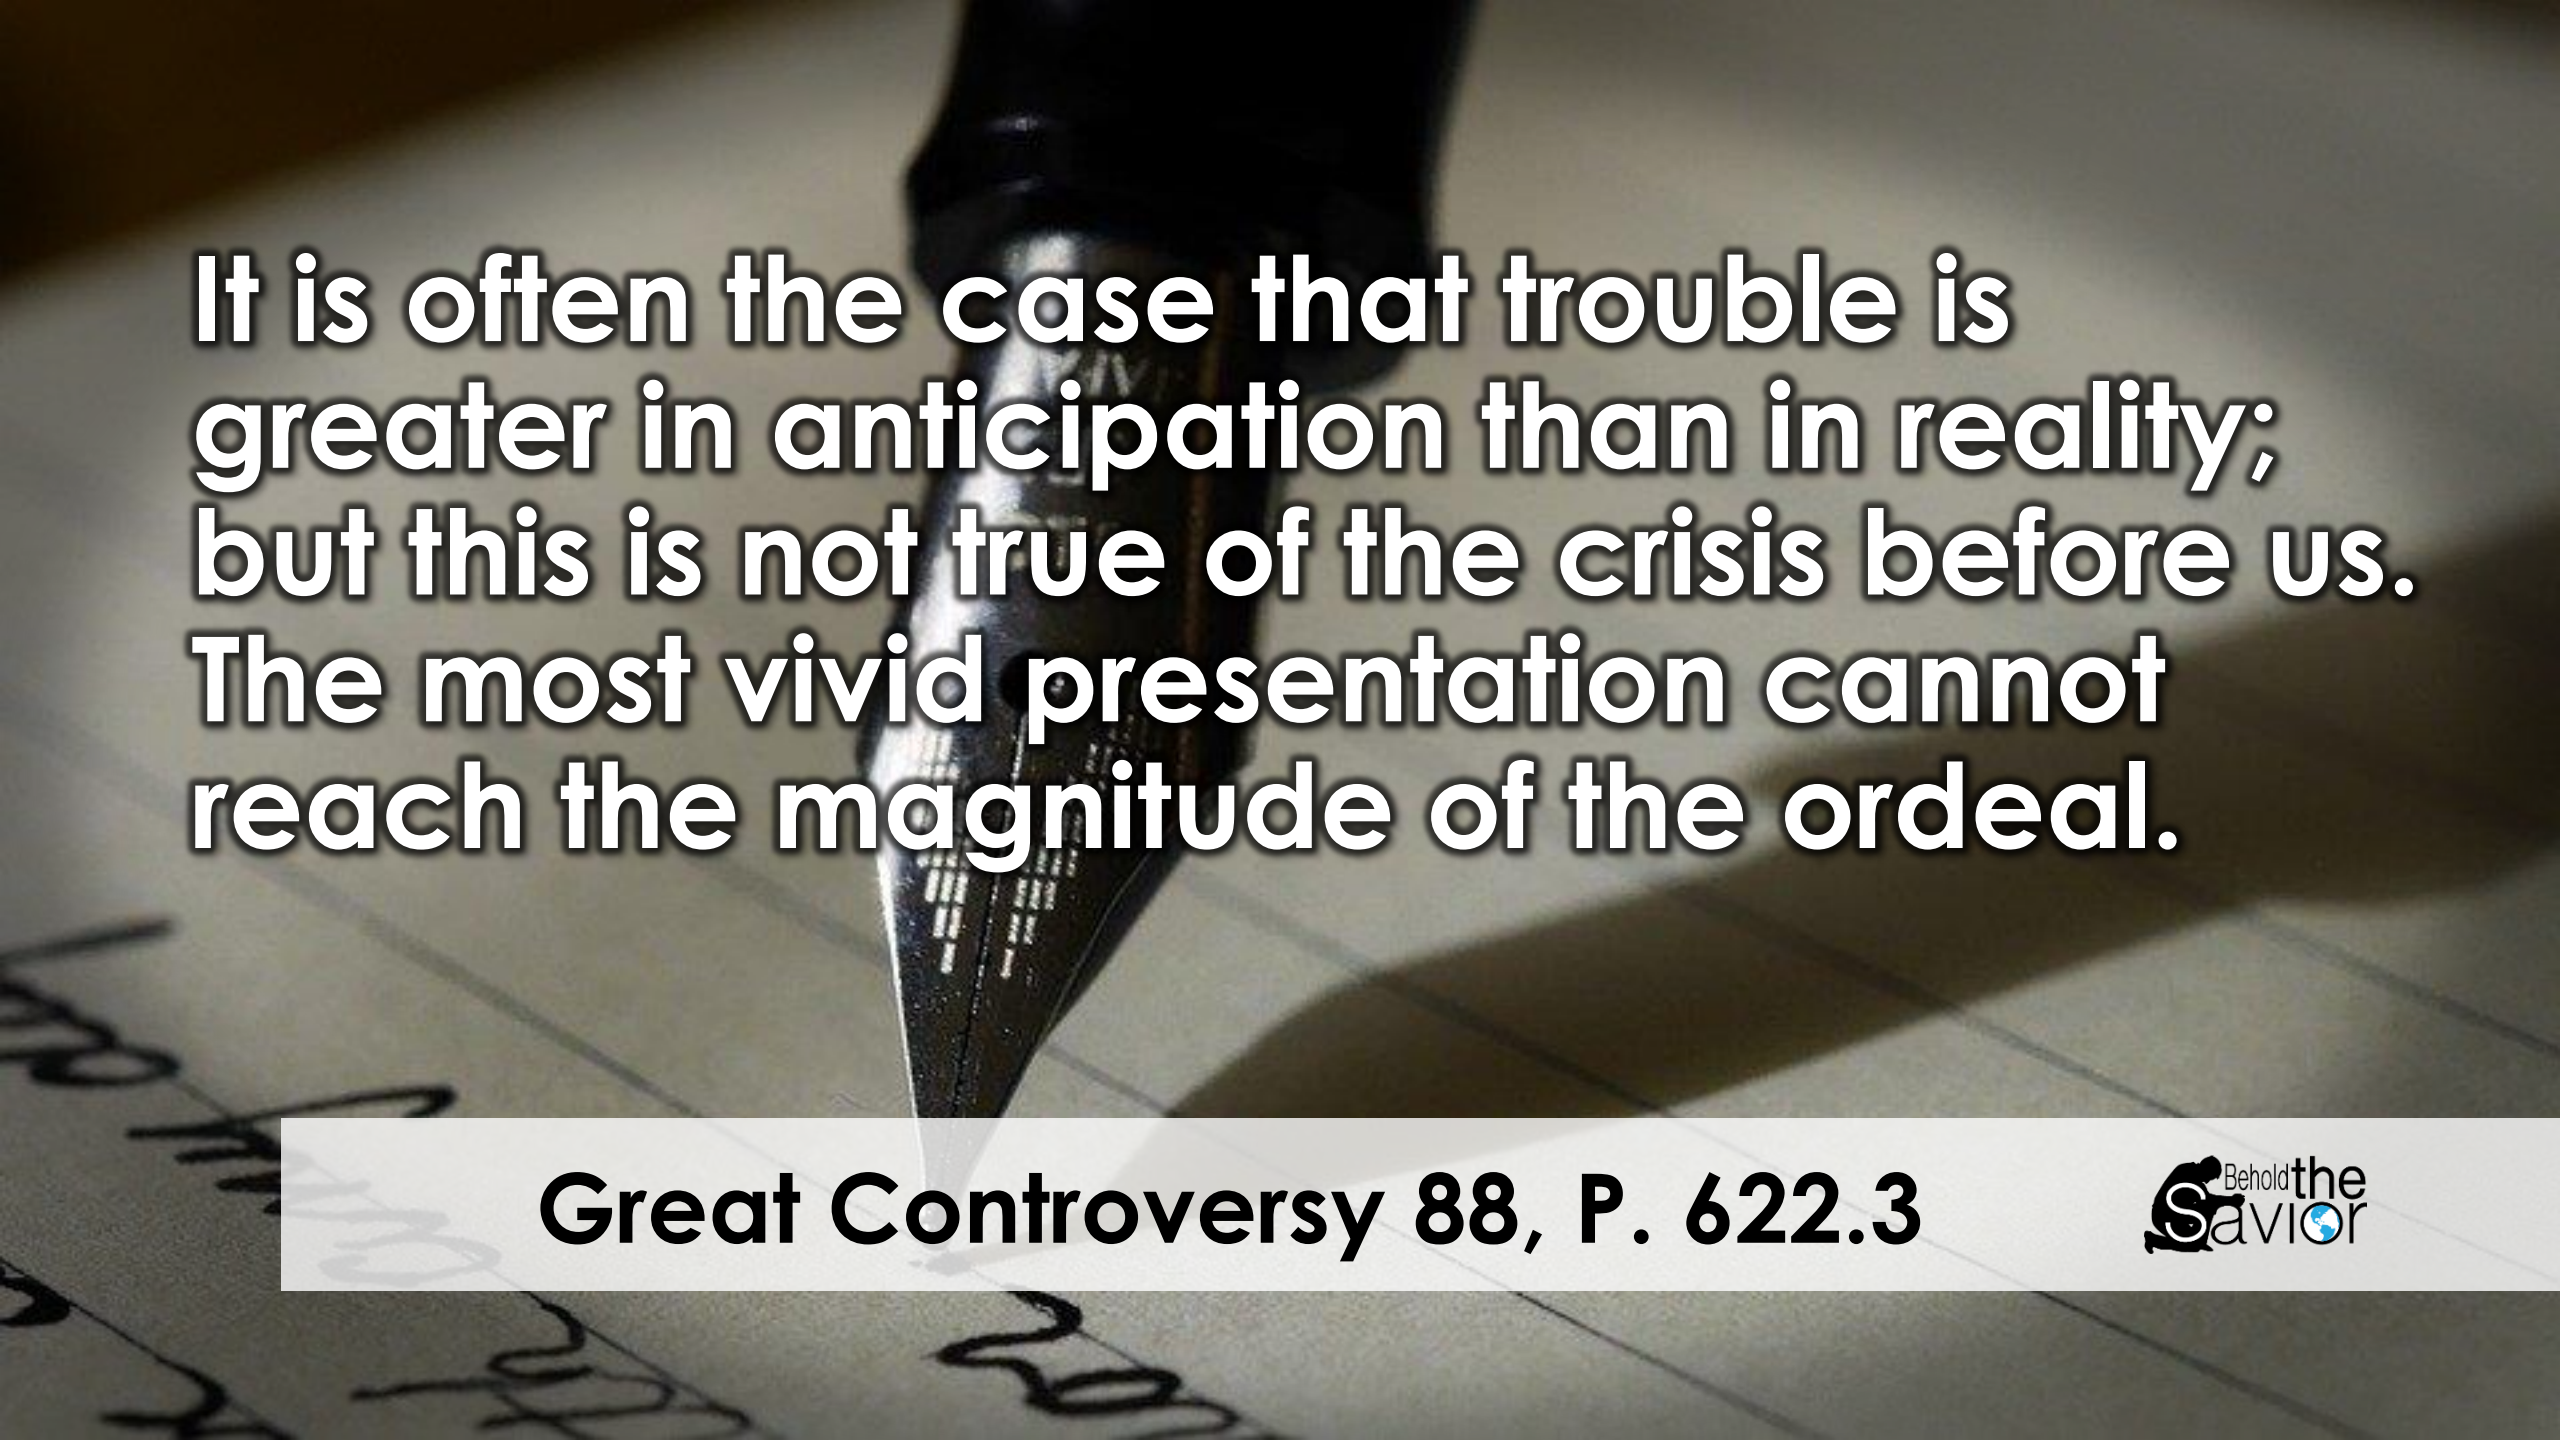

The “time of trouble such as never was,” is soon to open upon us; and we shall need an experience which we do not now possess, and which many are too indolent to obtain.

**Great Controversy 1888, P. 622.3**

**It is often the case that trouble is greater in anticipation than in reality; but this is not true of the crisis before us. The most vivid presentation cannot reach the magnitude of the ordeal.**

**Great Controversy 88, P. 622.3**

**In that time of trial, every soul must stand for himself before God. Though Noah, Daniel, and Job were in the land, “as I live, saith the Lord God, they shall deliver neither son nor daughter; they shall but deliver their own souls by their righteousness.”**

**Great Controversy 88, P. 622.3**

**The leaven of godliness has not entirely lost its power. At the time when the danger and depression of the church are greatest, the little company who are standing in the light will be sighing and crying for the abominations that are done in the land.**

**Last Day Events P. 83.1**

**But more especially will their prayers arise in behalf of the church because its members are doing after the manner of the world.--5T 209, 210 (1882). {LDE 83.1}**

**Last Day Events P. 83.1**

**if My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land.**

TIME WITH GOD

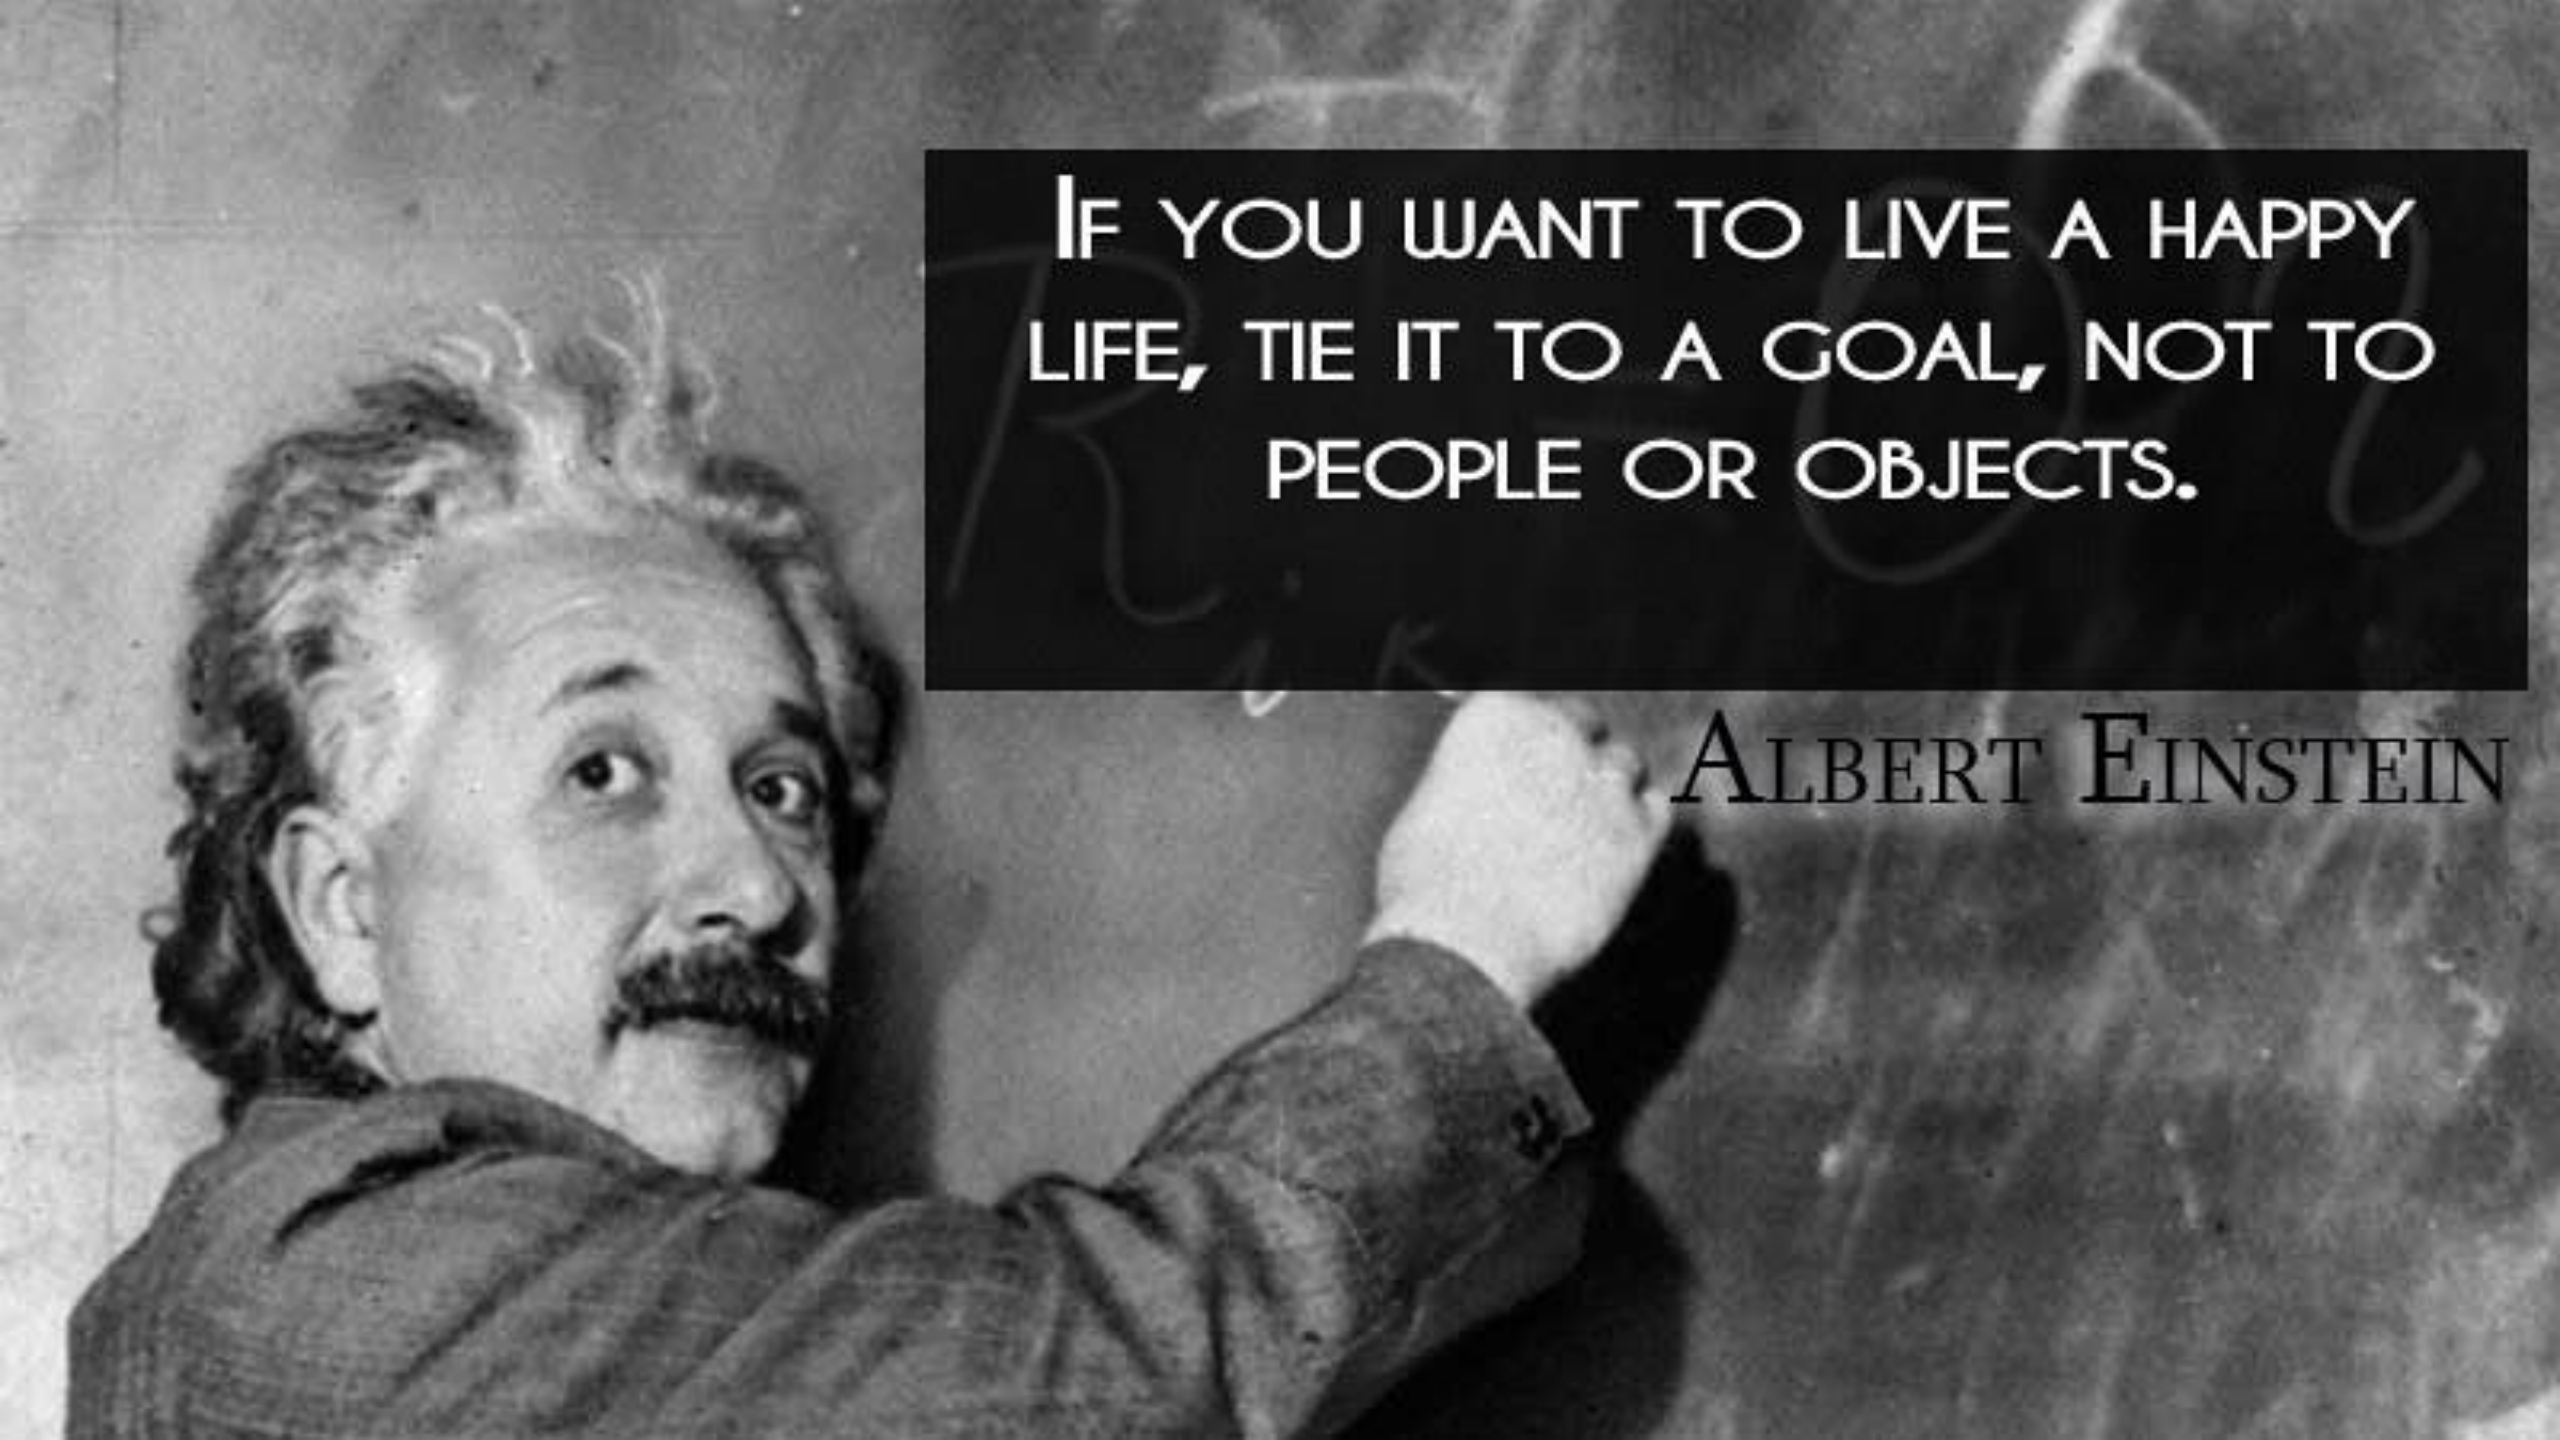

- 
- An open book with white pages and a dark cover is positioned on the left side of the image. To its right, a large, antique-style clock face is visible, featuring Roman numerals and a dark silhouette of a clock hand. The background is dark, and the overall lighting is dramatic, highlighting the book and the clock.

A black and white photograph of Albert Einstein. He is shown from the chest up, turned slightly to his right but looking back over his left shoulder towards the camera. He has his characteristic wild, wavy hair and a prominent mustache. He is wearing a dark, textured jacket. His right arm is extended, and his hand is touching a chalkboard. On the chalkboard, there are faint, large, handwritten letters that appear to be 'RISK'. The background is a plain, light-colored wall.

IF YOU WANT TO LIVE A HAPPY  
LIFE, TIE IT TO A GOAL, NOT TO  
PEOPLE OR OBJECTS.
